Need more details about St. James Academy? Join us for parent-specific programming in celebration of Catholic Schools Week, starting January 30. We introduced similar school-day visits in the fall semester; the parents who attended said it had a significant impact on their impressions of St James, and helped them choose to enroll their student here. Choose the day most convenient to you; no RSVP necessary. Tuesday, we celebrate All-School Mass at 10:20 a.m. so if you can stay for that, it's worth it!

So many times we hear from parents and students, "Once you step in the building, you get it." Please, give us a few minutes on a school day to share that feeling. Join us any time: for these parent programs the week of January 30, or for a Mass, or schedule a personal tour and/or meeting with any administrators to discuss our academic achievements, faith focus, growth expectations, extra-curricular activities, etc.
