Your Booster Club News

Another sport season is upon us and we are thankful for the participation of each Crimson Club Member. Already this year, your member dollars are hard at work, providing our students equipment, uniforms and facilities which weren't previously budgeted expenses. Our students thank you, and the Crimson Club leadership appreciates that we can fund these things without conducting multiple fundraisers!

Since Crimson Club began just 3 years ago, we've awarded more than \$100,000 to student activities and athletics! So instead of selling trash bags or candy bars, or gift wrap, the Thunder boosters collectively accomplished a great deal.

VOLUNTEERS NEEDED

Can you place 15-20 phone calls next week, to SJA families who have not yet joined Crimson Club? Please e-mail kmaginn@sjakeepingfaith.org to receive a calling list and script.
