

Dear Thunder families:

The Crimson Club is the booster organization for St. James Academy, supporting athletics and activities. As hard as we try, the operations budget just doesn't cover all our team's needs, and that's where the Crimson Club comes in.

Since the Crimson Club was founded, St. James families have benefited from the Club's success in multiple ways. Membership, advertising, and special event proceeds help fund such non-budget items as the Thunder bench chairs, replacement uniforms, training room supplies, the high resolution projector for large gatherings, fitness center equipment, additional trophy cases, pipe and drape and other such needs throughout the building. When teams or clubs have needs for specific supplies, they can request assistance from Crimson Club, first, rather than conducting their own fundraiser or assessing a fee to each participant.

Please consider the many ways each family can support Crimson Club's success:

- ... One, are you a member of Crimson Club? If not, take advantage of our winter special for \$85.00. This includes Family Activities Pass (\$50 value) for home St. James athletic events, and two t-shirts. To join, detach and return the form below to the school office.
- ... Two, purchase the Winter Activities Program at the gate of home games for just \$5.00. It includes schedules and features on all the winter sports teams, the cheer and dance squads and student clubs and organizations. In addition, there's a \$5.00 HyVee coupon in the back! And we encourage our families to support the advertisers in that publication.
- ... Three, participate in the upcoming Trivia Night on Saturday, January 7. Registration details will be available soon. Mark your calendar now!
- ... And four, please help secure advertising for the future editions of the Activities Program, which then translates into your annual membership in Crimson Club; those will be due June 1.

Additional details about the objectives of this organization are on the [www.sjacrimsonclub.org](http://www.sjacrimsonclub.org) web page. Your participation in Crimson Club minimizes the need for team fundraisers. So please support our booster organization, who has disbursed more than \$100,000 to St. James Academy student organizations since it was established in 2008!
