

St. James Academy has a booster club? What does it do?

Crimson Club is the official booster club at St. James but it is not dominated by any one sport; in fact, it serves all sports and activities.

Why should our family join?

Because student organizations may affordably enhance their experiences and reduce the number of times our students and families are asked to donate to any club's efforts (for example: jeans day passes; candy bar sales or trash bag sales) the Crimson Club serves as a resource for funding active students needs.

How did the Crimson Club make a difference last year?

Through an application process established by the Activities and Athletics offices, nearly every team/club has received benefits ranging from \$400 up to \$5,000.

How do I join?

Complete the information below indicating your participation level. Various member appreciation premiums are available with each level.

Questions? Contact **Karen Maginn**, Director of Development, (913) 254-4228 or kmaginn@sjakeepingfaith.org.
